

TURNKEY FF&E

DISPOSAL RECYCLE CHARTER

Respect for the environment is at the heart of the **OPEN4** philosophy and business strategy.

When we have used furniture that our customers would like to dispose of, we apply the following steps to determine the best disposal method:

- 1 If the product is in reasonable condition we first look at any Charities that may be interested.
- 2 We then try to sell on eBay or Gumtree.
- 3 Finally, we offer to second hand furniture dealers.

Furniture that do not find a new home through online forums and charity shops will be broken down into their recyclable materials and sent to the following relevant recyclers:

METALS

Steel– SITA or Associated Scrap Metals

Aluminium – Associated Scrap Metals

PLASTICS – Suez

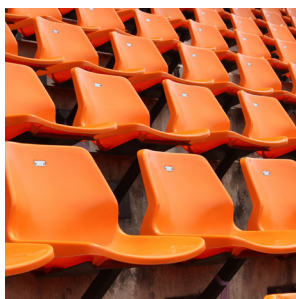

CARDBOARD / PAPER – SITA

TIMBERS – D & R Hendersons Pty Ltd

FURNITURE – Office Spectrum

Any items that can not be recycled would then be sent to land fill
AS A LAST RESORT.

OPEN4 USE THE MOST APPROPRIATE AND ECONOMICALLY ACCEPTABLE METHODS TO REDUCE DAMAGE TO THE ENVIRONMENT AND PROMOTE SUSTAINABLE DEVELOPMENT
